Subject: Request for Permission to Utilize the FIFA-Standard Football Turf for SYNAPSE ’26

Respected Sir/Madam,

On behalf of Government Vellore Medical College, I wish to seek your kind permission to utilize the newly constructed FIFA-standard football turf at Sri Narayani Vidyashram Senior Secondary School, Vellore, for conducting the football matches of SYNAPSE ’26, the annual Sports and Cultural Fest of our institution.

We specifically request permission for our student participants, officials, and organizers to access and use the football turf for conducting scheduled football matches and related sporting activities from 27 October 2026 to 30 October 2026, between 9:00 AM and 9:00 PM on each day.

The requested use will be strictly limited to the football turf and the areas specifically permitted by the school authorities. We will ensure that the regular academic activities and functioning of the school are not affected in any manner.

We further assure you that:

- There will be no disturbance to the regular functioning of the school or its academic activities.
- Participants and organizers will maintain strict discipline and decorum within the school premises.
- The turf and surrounding areas will be used responsibly and kept clean.
- No unauthorized access to other parts of the school campus will be permitted.
- We will comply with all rules, safety instructions, timings, and conditions stipulated by the school authorities.
- The responsibility for the conduct of our participants and organizers during the permitted period will rest with the organizing committee of SYNAPSE ’26.

We would be grateful if you could kindly grant permission for the use of the FIFA-standard football turf for the above-mentioned dates and timings. We assure you of our full cooperation with the school administration and our commitment to ensuring that the facility is utilized responsibly.

We look forward to your kind consideration and favourable response.

Thank you.

Yours faithfully,
